

UNATTI KANYA VIDHYALAYA

Uruli Kanchan

Session 2024-2025

Bala Initiatives

Bala is an innovative concept which is used to bring qualitative improvement in education, through developing child friendly, learning and fun based physical environment building in school infrastructure. **Bala–Building As Learning Aids**. It promotes creative thought and expression in children and inspires them to learn.

Our school has beautifully decorated classrooms to encourage and provide holistic approach to the children which inspires them to learn enthusiastically.
