Session (2024-25)

Elementary Education

– Our elementary education program is aligned with CBSE Curriculum, focuses on the holistic development of young minds. We aim to provide a nurturing environment that fosters both academic excellence and Personal growth.

1. Comprehensive Learning:- Emphasis on foundational in reading, writing and numerical operations. Integrated approach to learning through thematic units .

2. Activity based learning :- Hands on projects and experiential learning activities. Interactive sessions to make learning engaging and enjoyable.
Conduction trips and educational excursions.

3. Co-curricular Activities :- Art, music, dance and drama, act- play to nurture creativity and self-expression. Sports and physical education to promote physical fitness and teamwork.

4. Teaching Methodology: - Our school follows child centered approach which focuses on the individual learning needs of each student.

5. Parent-Teacher collaboration :- Regular parent-teacher meetings and workshops to keep parents involved and informed about their child's progress. Integrated with each other all above make a complete nurturing environment to foster overall development of child.
